18th August 2024

Dear Parent/Carer,

I am writing to explain how we plan to provide learners with their results this summer. These arrangements will apply to learners in years 10 and 11 who will be expecting results for courses entered during the academic year.

To conform with GDPR regulations we will only provide learners with their results. Please ensure that you attend school at the times listed below otherwise, we may not be able to issue results. Results will not be provided over the telephone.

Year 11 Results Day - Thursday 22nd August 2024 Results will be issued in the main hall and learners will enter the building through the reception entrance. Results will be available from desks in the main hall, which will be labelled alphabetically by surname. Once results have been collected, each learner will exit via the fire escape doors and leave the school premises.

This results service will operate from 09.00 – 10.00am.

Year 10 Results Day - Thursday 22nd August 2024 Results will be issued in the main hall and learners will enter the building through the reception entrance. Results will be available from desks in the main hall, which will be labelled alphabetically by surname. Once results have been collected, each learner will exit via the fire escape doors and leave the school premises.

This results service will operate from 10.10 – 11.00am.

If you fail to collect your results you can arrange to collect them by contacting the office the week commencing 9th September and arranging a collection time.

Yours Sincerely

Craig Whitney
